## **2008 HIGHER EDUCATION AND APPLIED TECHNOLOGY GOVERNANCE COMMITTEE**

### **GENERAL INFORMATION SHEET**

---

#### **Scope Outlined at Legislative Management Committee (LMC) meeting, March 26, 2008**

- ▶ Higher Education and Applied Technology Governance Committee (Committee) is authorized to meet up to eight times.
- ▶ The Committee's authorization expires December 31, 2008.
- ▶ The Committee is to study and make recommendations on:
  - (i) governance of the state's higher and applied technology systems with particular emphasis on area technology centers, and
  - (ii) the roles, missions, and governance of institutions of higher education.

#### **Additional Items Assigned by the LMC from the 2008 Master Study Resolution, S.J.R. 11**

- ▶ 22. Area Technical College Jurisdiction - to study shifting area technical college jurisdiction from the Board of Regents to a separate board. (Ferry)
- ▶ 32. Governance of Higher Education - to study the Governor's appointment authority related to the Commissioner of Higher Education and higher education institution boards of trustees, the authority of an institution of higher education's board of trustees to appoint an institution president, and whether to expand the membership of the State Board of Regents (1st Sub. H.B. 190). (Dougall)
- ▶ 35. Higher Education - to study issues related to higher education governance. (McIff)
